# MEMORIAL DAY

Happy Memorial Day Weekend!

This has traditionally been the gateway to the summer and fun times at Candlewood Knolls. Although this year will be different and will present many unsettling challenges and changes, starting with the cancellation of the Memorial Day Cocktail Party, there's no place I'd rather be! How lucky we are to be a part of this great community!

Wishing you all a fun weekend and asking you to do so with consideration of your own health and that of your neighbors. Let's all continue to count our blessings and take care!

... Maria

January 20, 2020

Dear Knolls Community,

We would like to thank you all for your patience as we rebuilt our beloved lake house (destroyed in the May 2018 storm). We know that many of you experienced challenges along the way (blocked roads, parking issues, time delays, etc.) and we appreciate your patience and good humor as this process painstakingly moved forward inch by inch and board by board. We are particularly grateful to our Woods Road neighbors who bore the brunt of the inconvenience. Many of you stopped by whenever you saw us ... to allay our worries and offer positive comments at the same time—so heartwarming!

The "Z" House is alive and well and once again "living" on Woods Road. I can't help but think that my grandmother and mother are smiling down their approval to us as we restart our lives in a perfect blend of old and new with our cabin.

Thanks again for the love,

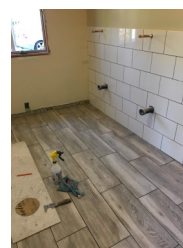

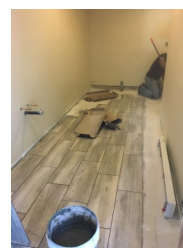

Liz & Tom Martino
