Knolls Knews Notes

Welcome back for the summer! It's been a very long nine months and we are sure that everyone is ready for some Knolls revitalization. While things will be operating a little differently this year, the important things remain the same, great friends, beautiful Candlewood Lake and a Community that cares for all its residents!

We are thrilled to announce that the Candlewood Knolls Children's Program will begin on June 29th led by Phil Passaro and his terrific group of Counselors and CITs. Phil has some great things in store for the kids ... all the while implementing the social distancing and guidelines established by the CDC and the State of CT.

Yoga is back with our very own Celeste Pearce on Monday and Tuesday nights and, thanks to the enthusiasm of Roberta Anderson, so are the Sailboat Races on alternating Saturday afternoons! The Entertainment Committee is working on a few events that follow the large gathering guidelines instituted by the State – more on these events next week.

We have implemented full-time Security which starts today and will continue through Labor Day. Be sure to read the Security Procedures and make sure to note the security cell phone number. The cell number can be found in the Knolls Knews Notes, on the CK website and posted on the mailbox bulletin board. There are Covid 19 specific protocols for the beaches and tennis courts. Signs are posted in all areas – please follow these protocols for the safety of all of us.

Lastly ... CK's **2nd Annual Beautification Day is Saturday, June 27th!** We need your help keeping the Knolls looking beautiful ... so please email Marie Knox at mfoncy@aol.com if you can lend a hand! Please bring gloves and tools – we will meet at the clubhouse at 9:00 AM.

Enjoy the weekend — it's going to be lovely!
