Family Picnic Recap

Another year, another family picnic. This year we had over 600 attendees and some of the hottest weather ever. The heat was very evident by the amount of water consumed (32 cases) and the fact that almost everyone was down by the water for a lot of the day.

The tables were a little late in being delivered but they eventually arrived and everyone swooped in to secure their spot.

The activities started early this year with a fun run on the ball field and a road race through the Knolls. There were about 20 kids for the fun run and about 20 runners in the road race. Congratulations to Nick Lynch for being the first winner of this hopefully annual event and thanks to Janet Gibbons for organizing the event.

The rest of the activities, starting with the very popular home run derby, followed thereafter for a full day of fun competition.

With the heat, the water games were a big draw. Thanks to Candace and Scott Russell for putting on those events.

We had a little torrential downpour at around 2:45 PM, just enough to ruin a few tents but not enough to ruin the day. The storm passed and the party continued.

Dinner was served promptly at around 6 o'clock-ish, as promised, thanks to Florence Iavarone and her army of cooks, food prep, runners and servers.

The raffle was a tremendous success with over 30 children's raffle prizes, 50 adult raffle prizes and 3 special prizes for a Chinese auction. Thanks to the following for donating to the raffle: Becker, Dahl, Fine, Fitzgerald, Iavarone, Ogden, Ostuni, Pagel, Pellicione, Petrucelli, Rail, Rees, Reif, Sarro, Stevens, Togneri, Weintraub. Thanks to the following businesses for donating: Biscotti's Restaurant, Dom's Garden Center, Halas Farm Market, Jim Barbarie's Restaurant, New Fairfield Village Flower Shop, New Fairfield Liquor Store, Time, Inc.

Another new activity was the Trivia contest. There was a lot of "phoning a friend" but still no one got a perfect score. The winners were the Desantis family with 27 out of 30 correct.

After the raffle we brought back an old Knolls tradition of a movie on the ball field after the picnic with a showing of "Raiders of the Lost Ark". This was the first time that we've had a chance to use our giant screen (20' x 10') and it was quite a success notwithstanding a few movie restarts due to the power

cord being kicked out. The popcorn machine was cranked up and we will try to do movie night again this summer.

The Family Picnic is by far the biggest undertaking in the Knolls and it takes many, many people to get it done. Some take on big tasks while others help out in smaller but no less important ways. Baking brownies, shopping, pitching in to help run an event; those that chip in are greatly appreciated. Some of those tasks are things that go unnoticed but are the kinds of things that make the picnic run smoothly. Bill, Kathy and Marie Knox spent hours cutting up all those brownies, cakes and pies. Others such as Ken Keenan judging the golf chipping or Brian Kavanagh helping to blow up the balloons just joined in. A special thanks goes to the dinner servers, without whom we could not serve everyone in 45 minutes. They put off their dinner until everyone else ate first.

I will try to list everyone who helped out in one way or another. If I missed you, let me know and I'll acknowledge you next issue.

Fireside Chat

As you may have noticed the seaweed has started to come back. We will be dredging the beaches again.

Recently we have had a spate of underage drinking on Knolls property with messes being left. This will not be tolerated. Everyone should be aware that underage drinking is illegal everywhere in Connecticut including the home. Just because we are a private community does not mean that you can't be arrested for underage drinking or anything else for that matter.

We are looking at doing some enhancement work on the north side of the Clubhouse including extending the deck on the back of the clubhouse so it wraps around the north side creating a large deck that can be used during events. At the same time we would be restoring and preserving the Hicks Garden by re-landscaping that area. This is still in the preliminary stage but we hope to have a plan to present at the September stockholders meeting.
