## Family Picnic

The Candlewood Knolls Family Picnic will be held on Saturday, July 17th. Today is the last day to get your tickets before the price increases. Call Florence at 203-746-0547.

Florence is still looking for volunteers. If you can spend an hour or so helping out before, during or after the picnic, please call Florence at 203-746-0547.

We are still looking for donations for raffle prizes. Please call Donna at 312-0792.

**Bridge:** Bridge winners for week one are Ellie Keenan, first place and Dotty Kelchner, second place. We play every Wednesday at the Clubhouse. Call Ellie at 203-746-9835 if you would like to join us.

### Sailboat Race Results:

On Sunday, July 11th, six brave sailors showed up to compete again, trying to out-sail last week's winners.

Sadly, many dreams were splashed away. Ralph Bonito came in first, Linda Heydt took second place and Arnie Eckelman came in third. Erin Stroh was seen helping by giving her dad some pointers. Lets hope Rich listens to her next week.

**Bocce Night:** Because of the weatherman predicting bad weather Bocce was cancelled on Saturday and of course it didn't rain. We have rescheduled Bocce for Saturday, July 24th and it will be hosted by the Pagels.

**Ice Cream Night:** We had a another successful night, thanks to the folks who came down to cool off with some great tasting ice cream. Make sure you stop by on Wednesday, July 14th to sample more delicious flavors.

## What's Happening In The Knolls

**Softball Game :** We did get the softball game in on Saturday. Instead of North vs. South we played young vs. old.

The old-timers held their own but the young guys won 33 to 30. It was a defensive struggle. Both teams defense struggled.

Some highlights of the day included a tomahawk chop by Danny Ostuni that went to the tree in center field. Cousin Jamie Fucito made a long running catch and David Cyganowski ( the younger ) made a great backhand catch.

For Team AARP, Kevin Keenan put a monster tag on Jamie at the plate. The old-timers may not have had speed but they definitely had weight on their side. Also, Christian Dahl and Allen (?? ) blasted homers for the old fogies.

The next softball game is August 7th when we play against Candlewood Isle.

## Conserve Water

During this hot, dry spell, we all must remember to conserve water. Subscribers to the CK Water Authority should be reminded that they are not permitted to wash cars or water lawns. Residents

who have wells would benefit from conserving water also.

## Community Corner

**Dragon Boat Race update:** We need to fill 2 spots for female rowers in

order for Candlewood Knolls to participate on August 21st. In order to participate in the race teams must have a minimum of 8 female rowers.

This will be the 2nd Annual Candlewood Lake Dragon Boat Races sponsored by the Candlewood Lake Authority. **Contact Roberta Anderson** at [roberta.anderson@wellsfargo.com](mailto:roberta.anderson@wellsfargo.com) to sign up.

Last year's winner was Candlewood Isle, surely we can field a better team than the Isle.

If you would like to post an announcement in the Knolls Knews Notes, such as a birth in the family, graduation, etc., please contact the Candlewood Knolls office.

## Boating Safety Class Rescheduled

The boating safety class is rescheduled for this **Sunday, July 18th from 4:00 PM until 8:00 PM**. ## Ladies Night

The Martini tasting Party was huge success, thanks to Peggy Hayes, bartender Jim Ogden and bar-back Eric Washofer. There is now another signature drink in the Knolls: the Chocolate-Orange Martini. Chances are you might see it as well as the Candlewood Cooler at the next Cocktail Party.

To reserve your spot for the **paint a platter** class scheduled for Tuesday July 27th you must call Peggy Hayes at 746-2283 by **July 16th**. Payment must be in cash. Because the items chosen by attendees need to be ordered in advance this is a **firm deadline**.

# Children's Program Weekly Update

## Week 2 Recap

**3&4's:** The boys have had a new playmate with the addition of Cooper. They spend their time fighting evil alligators and sharks at the playground. Our little ones also enjoyed a day off when the older campers went to the swim meet. James Woehr filled in as counselor this week and the boys were definitely keeping him busy.

**5&6's:** The 5&6 counselors have hit the ground running with an exciting second week of camp. There were a lot of fun activities this week including relay races, a trip to the beach with the 7&8's, and ending the week quite possibly the only way a true CKCP'er would want to, DODGE-BALL!!! It is a true privilege to be able to watch and assist the growth of these adorable little tikes and we can't wait for week 3.

**7&8's:** After only four days, the 7&8 year olds have soared to new heights. Our young campers are developing new skills in the water. This week we canoed to North Beach and spent time with the Juniors and Senior campers as baby birds becoming accustomed to their surroundings and neighboring animals. Catherine Morrison and Brendan Kavanagh taught the 7&8s skills in lacrosse such as cradling, passing, and picking up groundballs. Even ominous clouds did not deter our campers from competing at their highest abilities! As birds fighting for their survival, they fought to prove themselves. The 7&8's prevailed with many of them achieving first or second place ribbons. The first weeks are when strengths are tested; as our campers have demonstrated. From that point on, it's smooth sailing.

**9&10's:** Last week's experiences were trivial to the ones this week. The 9&10's floated on to another excellent week consisting of exuberant campers and intense activities. We embraced the competition in the swim meet against the Isle. Back at the Knolls, we discovered that using teamwork and perseverance on the playing field makes for all-around better games. Down by the water, the kids were thoroughly entertained by playing capture the flag, water polo and grease the watermelon in the shallow end. The lake was definitely used to its full advantage during the sweltering weather. The 9&10's look forward to keeping you posted on our adventures.

**Juniors:** As we continue our fun in the sun, the juniors never cease to amaze us. Our campers enjoyed the world's second most popular sport-handball (Soccer is #1 of course). Our hike to Squantz Pond trip was cancelled due to the heat wave, but our campers' spirits remained high for our Isle swim meet. Talent and teamwork were evident throughout the meet. We ended our adventurous week with camp-wide water polo, capture the flag and the highly-anticipated dodge ball. To say this week was a success would be an understatement. Charlotte and Brian are very proud!

**Seniors:** Last week was a great one with the Senior group! It was extremely hot, but we pushed through it with a lot of swimming time. We made another fun trip to North Beach! Our swim meet against the Isle was very exciting, and although the opposing team came out on top, the score was very close! Our first swim meet definitely prepared us for the meets to come. We ended the week with a fun afternoon of Capture the Flag with all age groups! We also played our first game of dodgeball. "We were all ecstatic and eager to feel the Gatorskin on our hands again," said Bissy Rail. A fun week was had by all and we are looking forward to the next!

**Swim Team Update:** Nikki and Kristy have been working hard on the water. They prepared the swim team for their first swim meet against the Isle. Although the outcome wasn't a win, all the campers swam their hearts out and showed great sportsmanship while doing so. The campers will continue to work hard and keep their heads up high. If we continue this path, Nikki and Kristy feel that CKCP will achieve a victory!
