Family Picnic

The Candlewood Knolls Family Picnic was a huge success this year. The weather was blistering but everyone kept hydrated (with individuals' choice of beverage) and happy.

There were 600 people in attendance, and everyone had a great time with all of the field and water events, the delicious meals and movie. The raffle prizes were plentiful and truly extraordinary. Thanks to all of our residents who donated items for the raffle. Please look to the back page of this issue for a list of the local businesses that donated raffle items.

These businesses look to local residents for support during the year and are happy to support us at the Family Picnic.

Thanks to Florence and her crew, along with all of the many other volunteers who helped out before, during, and after the picnic to ensure that everyone enjoyed this special day. A lot of work went into preparing for the party as well as the post party clean up.

One a sad note, during this very well orchestrated and harmonious event was the fact that one of the high end raffle prizes (a Margarita Making Machine valued at approx. \$250), won by Judy and Jerry Garbowski went missing from their table Saturday night. In the spirit of goodwill, we ask that it be returned as soon as possible to the Garbowski home.

A special thanks to Dan and his crew for keeping the grounds so clean, and for all of the hard work they did that helped to make the day the success that it was.

What's Happening In the Knolls

Bridge: Bridge winners for July 14th are as follows: Dottie Kelchner, our 90+ year old "go to gal" for everything bridge, was our first place winner. Sadly, she has returned home for the summer. Maryann Hayden was our second place winner.

Sailboat Race Results: On Sunday, July 18th, eight sailors were out and about in our cove, for their weekly competition. Ralph Bonito placed first, Russells came in second and the Neills came in third. Erin Stroh was spotted with a friend helping her dad again this week.

Bocce Night: As a reminder, bocce will be held on Saturday, July 24th. We need someone to host or it will be cancelled. Call the office if you are interested.

Ice Cream Night: Come on down this Wednesday for Ice Cream Night at the downstairs of the clubhouse. This is a great way to relax in the evening with your family while chatting with friends and neighbors.

Conserve Water

During this hot, dry spell, we all must remember to conserve water. Subscribers to the CK Water Authority should be reminded that **they are not permitted to wash cars or water lawns at anytime.**

Residents who have wells would benefit from conserving water also.

Knolls Observations

If you were at South Beach on Sunday afternoon you would have seen an example of Knolls neighbors helping each other. For those of you who weren't there, here's a trivia question:
How many people does it take to rescue Frank Anello and his stranded jet ski?

Answer: seven

Children's Program Weekly Update

Week 3 Recap

3&4's: This past week the fun continued for the 3 & 4's. Their skills advanced with every activity, from playing at the beach to running around the picnic table and playing tag. They have finally fully grasped the concept of Duck...Duck...Goose, and their skills in other games continue to improve. The creativity of the group shone through while they played Peter

Pan at the playground— fencing off evil alligators and forcing their enemies to walk the plank in the water,. The majority of the 3 & 4's have conquered their fears of dunking their heads and can now swim with their faces in the water. Overall, we had a fantastic week and look forward to many more fun activities throughout the remainder of the summer.

5&6's: It came as no surprise to the 5 & 6's counselors that our group has had yet another successful and fun-filled week at camp. This week we enjoyed the company of some new campers, learning an intense new game called "SPUD" and lastly had fun cheering the older campers as they competed against the Isle.

We finished the week off by being brave little fishies by swimming the entire length of the lanes for the first time this summer. To say the least, we are very proud of our 5 & 6's and can't wait for the remaining weeks of the summer.

7&8's: This week was meticulously planned out, as a surfer consciously waiting to catch a wave. The Knolls and the Isle came together for Field Day, a fun filled day of activities and friendly competition. The Isle and the Knolls were able to bond as a surfer becomes one with the ocean. Everyone enjoyed themselves as the 7 & 8 Isle and Knolls groups played "Nuke-em", dodge ball, and competed in tube races. As a

surfer uses his skills to ride a wave, our campers brushed up on canoeing etiquette. Brendan Kavanagh and Catherine Morrison canoed with their group to North Beach.

As a wave cresting over for a perfect ride, our week ended with a camp-wide game of dodge ball. We were able to navigate the ocean and fins the perfect wave to coast on to the next week.

9&10's: The 9 & 10's began their 3rd week with great listening skills and overall yearn for achievement. Our sun-kissed skin melted the Isle away, respectfully, at Isle Fun Day. Our campers were capricious about befriending the competition, but eventually saw the truth in the saying "making friendly competition." We captured our group and whole camp photograph sporting our chic new Texas Orange shirts. The 9 & 10's loved taking after their counselor, Bissy, with the color of their shirts, due to her trademark Texas baseball cap. Moving into our 4th week of camp we are interested in beginning our preparation for the talent show! Come visit us at CKCP, we're having a grand time.

11 & 12's: The 11 & 12 counselors: Brian Kavanagh and Charlotte Foley, are privileged to have such an outstanding group. The summer has been progressing smoothly, and the third week was a great success. To start week three off the Isle came to the Knolls for Fun Day, which was both a competitive and relaxed atmosphere that all enjoyed. On Friday, we took our first field trip, where our campers rose to new heights, trekking 50-foot trees at Catamount. We developed stronger and closer bonds during this team building exercise, and can't wait till week 4.

Seniors: Last week the 13 & 14's had a very exciting and fun-filled time. In the beginning of the week the Knolls had a little friendly competition with the Isle. The Knolls, however, did not keep it so friendly when they decided to pick their game up to the next level and dominate the Isle in every event. Wednesday the group tried something new and made tie-dye shirts. All of them came out looking great. Friday was the best day of all. We went to Catamount Adventures and did a High Ropes Course. The campers were happiest up high and had to make it through different courses. The week was very exciting and the campers are looking forward to week 4.
