2010 FAMILY PICNIC SATURDAY, JULY 17TH

SPECIAL ACTIVITIES

SCAVENGER HUNT

A new event will be a Scavenger Hunt. This hunt will include items to find and information that you need to get. Points are awarded for each item.

You can pick up the list of items to look for at the Information Tent starting at 11 AM. All lists and items must be returned after dinner to be entered in the contest. Prizes will be awarded to first 3 places. You can do the hunt as a group or an individual.

OUTDOOR MOVIE

After dinner and after the clean-up, when it gets dark, join us for a movie on the ball field.

We will set up a big screen and pop some popcorn. The movie hasn't been selected yet but will be kid appropriate.

RAFFLE

Donations for raffle prizes are needed. If you have anything you can donate or are willing to contact local businesses to solicit prizes call the office at 203-746-4807.

CLEAN-UP

Clean-up help will be greatly appreciated. At the end of the picnic fold and stack your chairs and tables. Help pick up the ball field. Help clean up in the clubhouse.

GOLF CHIPPING

The golf chipping contest was a big hit last year and is back this year.

It will cost \$5 to enter with the winner taking home all the money. For \$5 you will get 5 balls to try to chip into the hole about 30 yards away. Points are awarded for getting close. If you don't do too well you can buy a second chance for \$10.

In 4 years, no one has ever gotten it in the hole. There is a \$100 bonus for the first person to get a hole in one.

FUN RUN AND ROAD RACE

On the morning of the picnic at 9 AM, we will have a fun run for kids 12 and under.

The fun run will be on the ball field and start at 9:00 AM sharp, don't be late.

The road race immediately following the fun run will be a 2 to 3 mile run through the Knolls, starting and ending near the ball field.

Awards will be given out by age group.
