Hello 2025!

I hope your holidays were filled with joy. For many it's been a rough winter so far - since it's been ages that we've had so many weeks of cold weather, snow, and a fully frozen lake. Hang in there because Spring is peeking around the corner. At least setting the clocks ahead on March 9th will give us longer sunlight.

While I don't expect any sympathy, it has been a cooler winter than usual in Florida and I am patiently waiting for that heat spell to arrive with temperatures in the 80s and 90s. It is amusing to walk on the beach and on some days observe Floridians wearing sweaters and coats while visiting northerners are in their bathing suits on beach chairs sunbathing. Oh well, you can't blame them for having different fields of experience. Either way, our bodies crave good old Vitamin D - and soaking up the sun beats taking a vitamin.

They say change is the only constant in the world. Adapting to our security gates will be an interesting adjustment and I am confident in the long run we will experience great benefits of becoming a "gated community." Let's give it a go and embrace the time when it will become our "norm."

They say 40 is the new 30 and 50 is the new 40.

All I know is the older I get, the more 9PM is the new midnight.

Please keep me in the loop during the coming months and feel free to send me any information, announcements, photos for future issues. Next one will be published around April.

Enjoy the rest of the season!

1. Golf Cart Guidelines: In an effort to promote safety and security for our residents, the Board of Directors inaugurated the following guidelines:
 - a. Golf carts must have headlights and reflective tape affixed to the rear of the cart if they are going to be used after dark.
 - b. Drivers must be 16 years of age to drive a Golf Cart or 15 years of age with a valid learner permit.
 - c. Golf Cart capacity is limited to the available seating on each respective Golf Cart.
 - d. Driving rules for Golf Carts are consistent with the general rules of the road. This includes abiding by stop signs, yielding right of way, staying to the right side of the road, etc. It is the responsibility of the driver to know and follow the rules of the road.
 - e. Liability Insurance is available for Golf Carts and the Board of Directors highly recommends you have this coverage on your personal golf cart.
