Knolls Knews

Notes

The 4th of July weekend is finally here, and trust me ... you will not be bored! The festivities kicked off with our first ever Pub Night hosted by Don & Cushie Lynch on July 1st. Thank you both for a fun-filled evening! The next Pub night is July 9th hosted by the Cravens.

Saturday begins with the Knolls' traditional July 4th Pancake breakfast. The LaMontes (and friends) will be your hosts and they have set up a COVID safe process that will insure everyone is comfortable and well fed! Food will be served in the clubhouse but tables will be available both inside and outside under the tent to accommodate those folks who are still following COVID protocols of Social Distancing and mask wearing. Please remember your mask, if needed, to protect our unvaccinated community members.

Saturday evening Colleen & Casey White are your hosts for our first ever **FIRECRACKER SOCIAL**, offering hor'douvres, cocktails and dancing—even a signature drink—the **Red Firecracker!** It's sure to be a BLAST (no pun intended!).

Won't You Be My Neighbor...

The "Green" Cabin

Denise Fucito

Susan and Mark Green married in 1979 and resided in Queens, NY. Mark, a Sales Manager, and Susan, an employee of the US Department of Labor were deciding whether to buy a "forever" home or a "weekend" getaway. They stumbled across a listing in the NY Times for a "cozy 2 bedroom cabin 2 blocks from private beach and mooring." This intrigued them and they met with the seller in the Grand Union (now Stop N Shop) parking lot so they could follow him into the Knolls to view the cabin. Susan was sold immediately and Mark wasn't 100% sure. Upon their second viewing of the house, Mark couldn't help but notice the lake was "shimmering" and they purchased their weekend getaway cabin on Glenway in the Spring of 1982.

A few years later they purchased a home in Baldwin, NY where they currently reside and in 1992 began to spend summers in the Knolls where their children, Shari (age 36) and Jonathan (age 26) attended CK Camp. Shari, now an art teacher in Baltimore, MD, spends her summers in the Knolls and is often seen at South Beach with her "summer" sister Katie (nee' Hannan) Tibbits and her two children.

In May 2018 when the infamous twister hit the Knolls, the Green cabin was struck hard with numerous trees on Glenway landing on their property and literally through the house. The chimney was the only part of the house that survived the devastating storm. After battling insurance companies and contractors for two years, they were able to restore their cabin to its original layout and add some upgrades to their living space. Now 39 years later, the lake is still shimmering and the cabin continues to provide the Green family with a "weekend getaway."

Herb Gardens

There's nothing better than fresh herbs to enliven even the most bland dish. Herbs do very well grown together in containers. Once you select a pot and fill it with potting soil, you need to select the right combination of herbs. A great selection includes Rosemary (a perennial), Sage, Thyme, Cilantro, Basil, Oregano, Parsley, Chives (a perennial), Tarragon, Dill, and Mint (a perennial)

Be aware of the herb heights and place taller ones in the center and cascading ones to the edges of the planter. It is recommended that you plant mint by itself since it tends to rampantly grow over the other herbs. Rosemary, sage, and thyme like drier soil and go well together. Basil and parsley need consistent moisture and go well with cilantro, tarragon, oregano and chives. Enjoy cooking with your fresh herbs!
