The rain sure has put a damper on several events - including the golf outing and various CKCP scheduled programs. However sunny skies and hot weather have prevailed this past week.

The Candlewood Golf Classic party was held on July 21<sup>st</sup> at the Isle - as planned - and the golf outing itself will be held on Friday, August 11<sup>th</sup> - fingers crossed. So, it'll be a while before we know who will win the 2023 "cup."

**Vegas Night** is fast approaching on **August 5<sup>th</sup>**. Please make your reservations early so we can plan accordingly. Text Karly: 203-731-0503 Or email [cksummerevents@gmail.com](mailto:cksummerevents@gmail.com)

We could use some volunteers to help with this event - including setting-up (inside) on Friday night and Saturday morning (outside), as well as a few bartending and raffle shifts. If you can help us out - please include this information with your reservation.

We are still in need of volunteers to host a Labor Day Party on September 2<sup>nd</sup>. Contact Florence Iavarone if you are interested.

Two more weeks of camp! The Talent Show and the Campout are set for Thursday, August 3<sup>rd</sup> beginning at 6:30pm. And the next day will be known as the "quietest" day in the Knolls as the campers & counselors catch up on some lost sleep...

Feel free to send me any information you would like to be included in future issues. Send to [cknotesdenise@gmail.com](mailto:cknotesdenise@gmail.com)

Enjoy your weekend...

**The Seven Husbands of Evelyn Hugo** by Taylor Jenkins Reid

*The Seven Husbands of Evelyn Hugo* is a glimpse into the life of a Hollywood starlet better known for her romantic endeavors off the screen. At the heart of this scandalous novel is the bond between two lovers fated to keep their romance behind the scenes and the forces keeping them apart. Aging and reclusive Evelyn Hugo, a movie icon, is finally ready to tell the truth about her glamorous life. But when she chooses unknown magazine reporter

Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story reflecting her rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. From making her way to Los Angeles in the '50s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. I really enjoyed this book. It is a mesmerizing journey through the splendor of old Hollywood into the harsh realities of the present day as two women struggle with what it means—and what it costs—to face the truth. This story is full of glitz and glamour and was addictive from the first page! The perfect beach read!
